# ABOUT THE REP

We're all about the live experience – whether you're coming to see a show, taking part in a workshop, or dropping in for a coffee. We work with partners across the UK and internationally on creating brand new productions and community projects.

You can find us performing live on our three stages here in Birmingham (The House, The Door and The Studio), in the West End, or touring globally. We might pop up on your doorstep in local streets, in schools and colleges, in shops, parks and city squares.

We nurture artistic talent through new writing, directing, technical and casting programmes with young professionals and up-and-coming names. While results can take years, we know it's worth the wait as we believe diversity to be a strength in our society, with art and culture belonging to all. We are a theatre for everyone.

Looking out over Centenary Square's fountains, extensive work on our building will soon be completed making us even more accessible. With our allies at the spectacular Library of Birmingham, our neighbours at Symphony Hall, our new friends at the University of Birmingham Exchange plus the vast social and commercial whirl of Paradise and Brindley Place, there's never been a better time to consider joining us.
